

Welcome to La Salle Academy! Our school has enjoyed a rich tradition of Catholic education throughout the greater Lithgow area for over 60 years. We seek to provide an environment which is Christ centred, promotes justice for all and aims for academic excellence.

La Salle Academy provides the opportunity for students to engage in vibrant and engaging liturgical experiences for faith formation and spiritual nourishment. We have a strong partnership with the St Patrick's Parish and have maintained an important connection to the De La Salle Brothers.

La Salle Academy offers a comprehensive secondary education for young men and women from Years 7 to 12. Students enjoy study through a wide range of subject selections, in a variety of interesting learning spaces and well-resourced facilities. Numerous extra-curricular activities are made available for students through Sport, Creative and Performing Arts, Debating and other interesting experiences to extend the learning of students outside of the classroom. After completion of the Higher School Certificate, the majority of our students continue their education at University, TAFE or enter the workforce. La Salle Academy is fortunate to have an experienced and enthusiastic teaching staff.

The school has a strong Pastoral Care system, which includes the delivery of an Academic Care Program and Peer Support. There is a focus on developing a culture of respect and responsibility. We have a strong belief that the wellbeing of students is an essential element of their academic achievement.

We value our partnership with parents and welcome their involvement in our school community.

We hope that our website provides you with an informative look at La Salle Academy. Please feel free to contact the school office if you require further information or would like to join us for a tour of our facilities.

Mrs Joyce Smith

Principal
